The Good Book—Grandview all Church Study

On Saturday, September 9th from 10 am - 1 pm join us for Grandview's kick-off of The Good Book, an 8 week all church study. The Bible will be presented in an experiential sensory format, to explore some of the deeper themes of Scripture.

The Good Book—Offers a user-friendly guide to the Bible's biggest ideas. A chapter from the Bible accompanies each chapter of the book, which helps readers understand the context and content of Scripture passages in a way that can open the whole Bible.

The 8 week church study is a forty-day journey through forty key chapters of the Bible, *The Good Book* appeals to those who already love and read the Bible regularly as well as to those who are just beginning their Christian journey.

The Good Book—

- Is a great evangelism tool for explaining the major themes of Scripture.
- Gives new believers an overview of the Bible and helps them understand Scripture passages;
- Helps longtime Christians rediscover the basic themes of Scripture and experience these truths in a new way.

Pastor Brian will be leading us through The Good Book study on Sunday mornings during worship, which will be followed by discussion in your Sunday school classes. The Grandview Kid's will be engaging in the same study during Sunday school classes.
